Hella Optical Warning Systems
Xenon Strobe Beacon
Model KLX 7500 Self-Adjusting Amber Strobe MultiVolt

- Part number 9503011
- Self-adjusting intensity to variable lighting conditions
- Smooth PC lens is durable and easy to clean
- Integrated fresnel lens provides superior optics and maximizes light out
- Rotations/Flashes Per Minute (rpm/fpm) 80 Double / 65 Quad
- Heavy-duty model features fully encapsulated electronics
- Cast aluminum alloy base allows for maximum durability and heat trans

Hella Optical Warning Systems
Warning Lamp LED

Model EXL 400 4" Warning Lamp 12/24V round amber LEDs clear lens

- Part number H22889001
- SAE Class I for maximum versatility and operational use
- Unique Hella optics with superior angular performance and light output
- Can be combined as part of the Hella DOT System - Patent Pending
- DOT capability built in to electronic PCB
- Unique Hella optics with superior angular performance and light output
- Proven product design to fit existing mounting holes in vehicle bodies

Hella Optical Warning Systems
Warning Lamp LED

Model EXL 650 6 1/2" Warning Lamp 12/24V oval amber LEDs clear lens

- Part number H22889011
- SAE Class I for maximum versatility and operational use
- Unique Hella optics with superior angular performance and light output
- Can be combined as part of the Hella DOT System - Patent Pending
- DOT capability built in to electronic PCB
- Unique Hella optics with superior angular performance and light output
- Proven product design to fit existing mounting holes in vehicle bodies

Hella Optical Warning Systems
LED Beacon
Model K-LED 360 E Fixed multi-voltage amber LEDs clear lens

- Part number H27071001
- Aluminium backbone structure
- Corrosion free 6/6 glass filled nylon base
- Sixteen user-selectable flash patterns
- Battery monitor eliminates Light Sensor and Intensity control

Hella Optical Warning Systems
LED Beacon
Model K-LED 450 Fixed multi-voltage amber LEDs amber lens

- Part number H27091071
- Rotating 360° flash pattern Vibration proof
- Lexan optics Metal injected aluminum base
- Helio Shield® to block off sunlight to perform more effectively in daylight
- Rotations/Flashes Per Minute (rpm/fpm) 80/65 Quad

Hella Optical Warning Systems
LED Mini Lightbar
MLB 170 Mini Lightbar LED fixed base 12V amber LEDs clear lens

MLB 170 Mini Lightbar LED magnetic base 12V amber LEDs clear lens

- Part number H27999001
- Mini Light Bar Low Profile Multiple Flash Patterns
- LED light head design with optics for optimum controlled light output
- Oversized heat sync and aluminum base plate ensures maximum cooli
- Clear UV stabilized Polycarbonate dome with Amber LEDs
- 24 flash patterns with touch wire controlled selection
- Encapsulated electronics for vibration and moisture protection
- Rubber mounting pads and screws

- Part number H27999011

Hella Optical Warning Systems
Halogen Mini Lightbar
Optilux OS-400 Twin Rotating Halogen Mini Light Bar Amber Fixed Base

Optilux OS-400 Twin Rotating Halogen Mini Light Bar Amber magnetic base

- Part number H74999001
- Polycarbonate UV stabilized dome and robust ABS plastic base
- High sheen vapor-plated free-form reflector for maximum controlled
- light output plus central mirror for effective secondary flash
- Unique pinion rubber wheel drive for ultra quiet trouble-free operation

- Part number H74999011
- 4 floating magnets for optimal fit to vehicle roof and
- Cigarette lighter plug with integrated switch
- Polycarbonate UV stabilized dome and robust ABS plastic base
- High sheen vapor-plated free-form reflector for maximum controlled
- light output plus central mirror for effective secondary flash
- Unique pinion rubber wheel drive for ultra quiet trouble-free operation
